

ICANN MEETING PUBLIC SESSION ATTENDANCE COUNTS FROM ICANN51 THRU ICANN82 (As of 11 April 2025)

NOTE: This document provides information dating back to ICANN51 as tabulated by manual head-counts during the identified meeting sessions. As such, the data may be impacted by the manual data-gathering and input processes. The highlighted fields in this document identify sessions for which ICANN does not have head count data available, which could be due to session cancellation, no-shows, or a session not being tabulated due to the manual data-gathering and input processes.
