Guideline: ccNSO Working Groups

• Behaviour

WG Chairs and Members will behave in a mature and professional way when they participate in working groups. This includes communicating with fellow WG Members professionally and ensuring that the WG remains inclusive and productive.
Guideline: ccNSO Working Groups

- Attendance of WGs

Where a WG member does not regularly participate, the Chair will reach out to the member, in order to engage that person in the WG. If that member does not then regularly participate, the Chair will advise the Council, so that further steps can be taken to resolve the situation.
Guideline: ccNSO Working Groups

- Conflict resolution
  - Concerns should firstly be raised with the Member
  - If not resolved, a formal complaint should be raised with the Chair of the WG
  - If that is not possible, the Chair of the WG is empowered to restrict the participation of a WG Member
  - A WG Member should first be warned privately, and then warned publicly before such the restriction is put into effect.
Guideline: ccNSO Statements

If a small minority objects or disagrees with the Statement, they should be offered the opportunity to have their viewpoint included as a minority view.
Thank you!
