ICANN's sponsorship program is thoughtfully designed to support and reflect our core mission: promoting openness, inclusivity, technical excellence, sustainability, and global collaboration. By becoming a sponsor, you contribute directly to the stability, security, and resilience of the global Internet's unique identifier systems.

All dimensions and locations shown on the official floor plan are believed to be accurate but are not guaranteed. ICANN also reserves the right to modify the official floor plan as needed to accommodate the requirements of exhibitors and the conference program.

Space Assignments:

ICANN will assign exhibit spaces at its sole discretion, prioritizing sponsorship level on a first-come, first-served basis. Whenever possible, exhibitors will be allocated one of their preferred locations.

Display Arrangement:

All exhibitors are required to follow the booth display guidelines outlined in ICANN's exhibitor services manual. Displays and graphics must not obstruct the line of sight for neighboring booths. Items in the front half of a linear booth may not exceed 1.2 meters (4 feet) in height. Sound presentations, slides, or videos are permitted if kept at conversational levels and are not disruptive to other exhibitors. Audio presentations must not exceed 85 decibels or carry beyond the immediate area of the display.

Use of Space:

No exhibitor may sublet, assign, sell, or permit the use of any portion of their allotted exhibit space without prior written approval from ICANN. All signs, advertisements, literature, and promotional materials must directly relate to the exhibitor's name, products, and services as specified in the agreement and are subject to ICANN's prior review and acknowledgement.

Exhibitor Representatives:

Exhibitor representatives wearing distinctive costumes or carrying banners or signs, either separately or as part of their attire, must remain within their assigned booths. Any disruption of event spaces or interference with attendees by exhibitors is strictly prohibited.

Common Areas:

Aisle space shall not be used for exhibit purposes, display signs, solicitation, or distribution of promotional materials. ICANN in its sole discretion also prohibits non-approved publications and/or advertising in any of the common public spaces on the premises of the meeting facilities or in the lobbies or hallways of the hotels.

Logo Placement:

The placement of sponsor logos on digital and printed meeting materials will be determined based on the level of sponsorship and will follow a first-come, first-served basis.
